A Savage History - Google Books

A Savage History tells the rich history of whales and whaling. We learn about these highly intelligent and magnificent creatures, and follow the stories of whalers from the eighteenth century who hunted their prey along the coasts of Australia and New Zealand, across the Pacific and into the Southern Ocean. The result is a powerful account of a complex and bloody relationship. Although the

A Savage History: Whaling in the Pacific and Southern

A Savage History is a powerful account of a complex and bloody relationship that tells the rich history of whales and whaling, following the stories of whalers from the 18th century to the present day. It explores not only the drama and danger of whaling but the ways in which whales have infused human imagination throughout history. The book also covers the end of industrial whaling and the
