Evil Eye, An: Amazon.ca: Jason Goodwin: Books
'An Evil Eye' may be different in tone than the previous Yashim books and the resolution is a bit untidy (or too tidy depending how you look at it). However with a more fleshed-out Yashim, a refreshing look at the harems of the Ottoman Empire and the usual colorful characters and delicious scenes of cooking (I was craving mackerel long after I finished the book!) make this my favorite Yashim. **An Evil Eye (Yashim the Eunuch, #4) by Jason Goodwin**

An Evil Eye by Jason Goodwin follows investigator and eunuch, Yashim in Istanbul in 1839. When the body of a Russian bearing a strange tattoo washes up in the capital, Yashim is called to investigate. As he looks into the murder he is also asked to find a missing schoolboy and deal with some troubles at the new sultan's harem.
