Artist|Animal – Steve Baker

Artist|Animal is a necessary addition to the growing human-animal studies area. Baker has been a supportive and crucial documenter of a growing body of art involving animals that few others in the art world have taken on as seriously and as carefully. He offers a relatively unique approach to the kind of art and cultural criticism he employs. Baker interviews carefully chosen

Artist Animal (Posthumanities) by Steve Baker (2013-02-27) ...

Steve Baker clearly "gets it" as an artist himself. One of the underlying themes in these essays is that art is not meant to settle questions about the human-animal relationship, while philosophy and science do intend to define answers or at least boundaries.

Artist Animal | Steve Baker | 9780816680672 | NetGalley

Animals have always been compelling subjects for artists, but the rise of animal advocacy and posthumanist thought has prompted a reconsideration of the relationship between artist and animal. In this book, Steve Baker examines the work of contemporary artists who directly confront questions of animal life, treating animals not for their aesthetic qualities or as symbols of the human condition. **Pocket Review: Artist Animal by Steve Baker | Like Fire**

Artist|Animal Steve Baker University of Minnesota Press, 2013. Whenever I would mention reading Steve Baker's Artist|Animal, a series of interviews and essays about the use of animals in contemporary art, the response would be almost to a person: Oh, Damien Hirst.

Animals have always been compelling subjects for artists, but the rise of animal advocacy and posthumanist thought has prompted a reconsideration of the relationship between artist and animal. In this book, Steve Baker examines the work of contemporary artists who directly confront questions of animal life, treating animals not for their aesthetic qualities or as symbols of the human condition but rather as beings who actively share the world with humanity. The concerns of the artists

Artist Animal University of Minnesota Press

Artist Animal is a tour of the most interesting juxtapositions of animals and art in the early twenty-first century in the company of the most sensitive, open-minded, and subtle commentator on this area.

Review of Artist|Animal by Steve Baker | Our Hen House

While Baker recognizes that there are some artists who undoubtedly paid insufficient attention to the well-being of the animals they used, Artist|Animal attempts to move beyond a polarized, over-simplified debate about whether the presence of animals in contemporary art is a good thing or a bad thing. As Baker recognizes, at its best, art can help us think differently about the world.
