Black Money by Ross Macdonald - goodreads.com
Black Money is an excellent entry in Ross Macdonald's series of novels about private eye Lew Archer from the fictional California town of Santa Teresa. It has the usual Macdonald recurrent theme: the dark and twisted family secrets of mid-20th century's 1%, but it spreads its concerns a little broader, and deeper in this one. Initially, Archer's hired to find out the truth about a man who has

Bernard A. Schopen writes of The Black Money, "As nearly everyone has observed, the novel is the result of Macdonald's long meditations on the themes and patterns of action in the book that he said he read annually, The Great Gatsby." Several of MacDonald's critics noted the similarities between Jay Gatsby and Pedro Domingo, the Panamanian-born character in The Black Money who dreams of

The first in the collection is Black Money, which I enjoyed immensely while on holiday last month. Before The Library of America started releasing these collections, I had never read anything by Ross Macdonald, had barely heard of him and his Lew Archer.

[Black Money - Wikipedia](#)

Black Money is a novel by US American mystery writer Ross Macdonald. Published in 1966, it is among the most powerful of all Ross Macdonald's novels and was his own personal choice as his best book.

[Ross Macdonald - Black Money - Postmodern](#)

Doubtless the centuries old theme Money is the root of all evil is present in Black Money, but Macdonald's thoroughgoing pessimism about money and about rich people, not only here but in most of his work, seems a bit cartoonish to me.

[Black Money - Ross Macdonald - Complete Review](#)

Black Money nevertheless moves along briskly and suspensefully enough, but the somewhat clunky mystery (or mysteries) packed together isn't the main selling point. It's attitude and observation in the the quick-beat, dialogue-heavy novel that make it such an enjoyable --

and, at some points, excellent – read.

Black Money by Ross Macdonald - Penguin Random House

Black Money is Ross Macdonald at his finest, baring the skull beneath the untanned skin of Southern California's high society. About Black Money When Lew Archer is hired to get the goods on the suspiciously suave Frenchman who's run off with his client's girlfriend, it looks like a simple case of alienated affections.

Black Money (Vintage Crime/Black Lizard): Ross Macdonald ...

I've recently finished Ross MacDonald and several other biographies of MacDonald and was fascinated to learn the connection between Black Money and The Great Gatsby. Bernard A. Schopen writes of The Black Money, "As nearly everyone has observed, the novel is the result of Macdonald's long meditations on the themes and patterns of action in the book that he said he read annually. The
