fall for anything courtney summers

"An unusual, bold effort that deserves attention." - Kirkus Reviews, starred review "Mysterious, romantic, and excruciating in its suspense . . . hauntingly written and compulsively readable."

Fall for Anything: Courtney Summers ... - amazon.ca

FALL FOR ANYTHING actually had a pretty slow start, unlike Summers' other novels. I was a little disappointed, because it wasn't like her other ones. It was still good, though. I felt a genuine concern for Eddie's character, because of her hurt and depression from her father's suicide. I was worried about her, and I don't often feel that kind of connection with characters.

From the author of Cracked Up to Be and Some Girls Are comes Courtney Summers's Fall or Anything, a gripping story about one girl's search for clues into the mysterious death of her father.

Review: Fall For Anything by Courtney Summers YA

...

Fall For Anything, truth be told was a rather typical, average book for the majority of the time. I was not irked by much. Nevertheless, this still is a Courtney Summers book, and she surprised me near the end. Things began to make sense. And Courtney Summers went back to my list of evil, crafty authors that I love so much. The main character, Eddie was a rather neutral- though not bland. Fall for Anything by Courtney Summers - Goodreads Courtney Summers is one of the best young adult voices there is. Fall for Anything is only my second novel by her - the first being All the Rage - and already I've become quite addicted to her writing.

on Fall For Anything by Courtney Summers

While Fall For Anything looked to be an issues-contemp (eck!), I found myself immediately in love with Summers' style yet again and unable to put the book down. I read the book in practically record time because I apparently can't get enough of her beautiful style.

[Fall for Anything by Courtney Summers - Read Online](#)

FALL FOR ANYTHING is just as edgy as her previous works which is good because Summers excels in this particular category, able to bring a strong realism to her fictitious worlds that keeps the reader involved and turning to the next page. I highly recommend this book.
