Implementation Issues | Grand Challenges in Environmental ...

Progress on the next generation of environmental research will depend on dealing successfully with several important implementation issues. These issues should be addressed in a topic-specific manner in the planning workshops recommended in Chapter 3 and should be considered in overall planning of environmental research within NSF.

POLS 2401 - Global Issues - Acalog ACMS

POLS 2401 - Global Issues An analysis of the basic forces which govern the behavior of nations in their relations with one another. This study of world power conflicts, diplomacy and international cooperation is designed to acquaint the student with the basic issues and areas of conflict among the nation-states of the contemporary world.
