This book introduces the beginning student to the major concepts, materials and tools of the discipline of geography. While it presents geographic theory, as whole

and for each of its parts, the chief emphasis is on concrete analysis and example rather

Principles of Humanism and Themes in Humanistic Geography

Humanistic geography studies human awareness and human agency, human consciousness and human creativity. It, therefore, deals with the meaning, value and human significance of life events. It, therefore, deals with the meaning, value and human significance of life events.

Human Geography: Cultural Geography - Dartmouth College

From the perspective of new cultural geography, landscape was not simply a material artefact that reflected culture in straightforward ways, but was laden with symbolic meaning that needed to be decoded with respect to social and historical context, using new techniques such as iconography.

Rematerializing social and cultural geography:

Rematerializing social and cultural geography Peter Jackson Department of Geography, University of Sheffield, Sheffield S10 2 TN, UK The recent history of social and cultural ge- ography has been characterized by a series of sometimes heated exchanges between different schools of thought, often couched in terms of a contrast between the 'old' and the 'new' (Kong 1997; Price and Lewis 1993
