Ahdaf Soueif's "In the Eye of the Sun," a novel that does all these things, sometimes untidily, sometimes excessively, manages to communicate that sense of the disorderly profusion of life--perhaps because of its untidiness. It is life that stubbornly refuses to remain obedient and consistently finds the extraordinary within the ordinary. And it is life that is not limited to--or by--extended

In the eye of the sun before the world had begun It had been alot of work the last time around Needed a rest, a

chance to just lie down Always on the go, no time to kill
A lot of runnin' to and fro hard working in the mill So it
blew up and I threw up Into the eye of the sun before the
world had begun Well I hung around, don't know how
many years No more troubles, no more fears Had a lot of
rest
