John Skylitzes' extraordinary Middle Byzantine chronicle covers the reigns of the Byzantine emperors from the death of Nicephorus I in 811 to the deposition of Michael VI in 1057, and provides the only surviving continuous narrative of the late tenth and early eleventh centuries. A high official living in the late eleventh century, Skylitzes used a number of existing Greek histories (some of them no longer extant) to create a digest of the previous three centuries. It is without question the
