Latitudes of Melt by Joan Clark Though Aurora rarely spoke of her origins, Tom thought that by filling her wander books with talismanic bits and pieces, she might be celebrating the miracle of having been rescued from the ice.

Latitudes of Melt | Quill and Quire

Breathless plotting rules Joan Clark's new novel, *Latitudes of Melt*. A fisherman finds a baby girl floating on an ice pan in the North Atlantic, and takes her home to raise with his family in the small fishing village of Drook, on Newfoundland's Avalon Peninsula. We know Aurora is strange a changeling, perhaps by her white hair and eyes of two different colours. Also, as she grows up she reads easily and loves poetry and nature, traits that seem unusual to the Drook community.

A Reader's Journal: Latitudes of Melt

Clark carries the theme of icebergs and melting beyond the setting and into the characters themselves and their relationships. There are times when the current of circumstance melts the frost in a person's and other times when the cold hardens into an iceberg. And like an iceberg only a small portion of the thing is visible. Latitudes of Melt starts out when the main character, Aurora, is
