Married By Morning (The Hathaways, #4) by Lisa Kleypas

Married by Morning was such a delightful book. It fully exceeded my high expectations. The sparks between Leo Hathaway, Lord Ramsay, and Catherine Marks in the prior Hathaway books promised good tension and a fun read, but Ms. Kleypas managed to draw on deep wells of emotion and passion in writing this story, that made it even fuller than I expected.

Married by Morning is definitely one of her best books, albeit not the best, for me that honour goes to Devil in Winter, which was an absolutely fantastic read. However, in this book, I like the tension between Marks and Leo and the simmering passion. I have been waiting for their story for years now and it definitely doesn't disappoint.
