Miles from Nowhere: Nami Mun: Books - Amazon.ca
Miles from Nowhere is an amazingly and beautifully written novel. One of my most favorite books! Every time I read it, I discover something new with such abstract beauty. I've highlighted so many passages that fit so well within the story at their exact time, but can also stand on their own to apply anywhere at any time in one's lessons of life. Being a J major, I crave a book by an author
