Maeve Binchy Nights of Rain and Stars

Nights of Rain and Stars is the story of one summer when Fiona, Thomas, Elsa and David all have to face the particular life crisis which first made them leave their homes and end up in Greece. With the help of Vonni, a middle-aged Irishwoman who lives in the village and is now a near native, they each find a solution although not necessarily the one they anticipated Listen to a clip

Nights of Rain and Stars by Maeve Binchy - Goodreads

Nights of Rain and Stars was a nice read, it follows the story of four different people who all come to be into contact with each other on a Greek island. I picked this book up at my local College library where I am a student at a while ago. The characters themselves (David, Fiona, Elsa and Thomas) all had their own various issues and were trying to find the solution to them.
