Ghada Hashem Talhami's *Palestine in the Egyptian Press* is a massive and detailed examination of journalism in Egypt from its inception under the Khedival regime through the era of Hosni Mubarak. Despite the title, however, the Palestinian question is used more as a framing device than as an actual focus of study, and is usually invoked as an example to bring clarity to a broader discussion. The author's chronicle, however, is tied together only through the very general argument that the *Palestine in the Egyptian Press: From al-Ahram to al-Ahali ...*

Palestine in the Egyptian Press follows the evolution of the press institution in modern Egypt, as well as of the prominent role the Palestine question played in its rise to political prominence. Through the lens of the press, author Ghada Hashem Talhami studies the development of democracy under authoritarian rule, as successive Egyptian regimes struggled to curb and contain the power of the
