Believing the Jerusalem Conference to be the defining moment in determining Paul's course, Thomas Phillips in Paul, His Letters, and Acts argues that the NT gives us two versions of Paul, one in his epistles and one in Acts. Phillips surveys recent scholarship on Paul and tries to build a bridge between the two pictures these different writings give. Phillips' work serves as excellent and timely introduction to the life of Paul and the contemporary debates that often drown out Paul himself

"In this carefully written and accessible book, Thomas E. Phillips shows that portraits of Paul vary widely according to how they see the relationship between Paul's own letters and claims about Paul made in the Book of Acts. Some scholars discount what Acts says, while others use Acts to correct Paul's statements. Phillips argues that, while Acts develops its own perspective on Paul, it also
