Coffee-houses thus played a key role in the explosion of political, financial, scientific and literary change in the 18th century. In the 19th century the coffee-house declined, but the 1950s witnessed a dramatic revival in the popularity of coffee with the appearance of espresso machines and the 'coffee bar', and the 1990s saw the arrival of retail chains like Starbucks.

A cultural history. When the first coffeehouse opened in London in 1652, customers were bewildered by this strange new drink from Turkey hot, bitter, and black as soot. But those who tried coffee were soon won over, and more coffee-houses were opened across London, America, and Europe. For a hundred years the coffeehouse occupied the center []
