The #1 Reason Why People Fall Out of Love - mindbodygreen

The #1 reason why people fall out of love is because they're human. Yes. We are designed to fall out of love. And then, if the relationship is healthy and both people understand what real love is about, we fall back in love, deeper than before. And then we fall out of love and back in love. You get the picture. Falling in and out love is as cyclical as the tides of the ocean. The problem
