The Ethics of Energy: William James's Moral Philosophy in ...

Franzese's interpretation of James's ethics as an "ethics of energy" is definitely original. It offers much promise, especially because it provides a new avenue by which James can be brought into new, productive dialogue with other thinkers of his time who, like James, sought to rethink the modern West's general approach to ethics as an

imposed rule of reason. For this reason Franzese's is a Sergio Franzese, *The Ethics of Energy: William James's ...*
