The Men Who Stare at Goats In 1979 a secret unit was established by the most gifted minds within the US Army. Defying all known accepted military practice - and indeed, the laws of physics - they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls and, perhaps most chillingly, kill goats just by staring at them. Entrusted with defending America from all

One of them this year was Ronson's *The Men Who Stare at Goats*. Even though I'd seen the movie, I hadn't known there was a book behind it nor that its author, Jon Ronson, had also authored the book on political extremism that Mike Miley had had me read a couple of years ago while visiting him in California.
