The More Beautiful World Our Hearts Know Is Possible is the world we lost in the world of separation that began over ten thousand years ago since leaving paradise, the Garden of Eden. For many of us Our Hearts are remembering this Garden, the paradise of our ancestors that is now returning to us as we move into the new age. Moving into this new age of interbeing, of returning to the mind of

In The More Beautiful World our Hearts Know is Possible we will take a step back from our routines and social environment, and enter a liminal space. We will remove ourselves from the cultural and personal narratives that so powerfully constrain our choices and shape what is real, normal, practical, and possible. The empty space that results is the clearing in which a new story can crystallize
