[The Politics of Equality: An Introduction, Myers](#)

In The Politics of Equality, Jason C. Myers sheds new light on questions like this, providing a readable, contemporary introduction to egalitarian political philosophy. Concentrating on ideas and values rather than on the rise and fall of parties and movements, the book offers crucial insights into a vital tradition of political thought and how it is key to our understanding of contemporary debates from Obama's plans for a national health care programme to the recent global wave of economic
