Please Kate Harrison, I beg you to remove this ignorant statement from reprints of this book. It adds nothing to the story and could contribute to further abuse of some of the most vulnerable, disabled and already very abused and neglected members of society. It is beneath you and your obvious talents as a writer too.

The Self-Preservation Society: Amazon.co.uk: Kate Harrison ...

Kate Harrison is a brilliant author and, like the rest of her books, The Self-Preservation Society is engaging and readable but also filled with insights and emotional depth. Personally I didn't enjoy it quite as Old School Ties (nearly, but not quite). As others have said, the plot does develop quite slowly and it is more of an emotional journey than an action-filled one. I'd recommend it ias

When self-confessed scaredycat Jo Morgan survives a hit and run accident, she realises she has beaten the odds.

Maybe a bit of living dangerously is just what she needs.

But unlearning a lifetime of fears and phobias won't be easy.
