The Collaborator (or some may know it as The Soldiers Wife) by Margaret Leroy is very high up on the list of my favourite books. I loved reading this book and I never wanted it to end. A few quick facts about Margaret Leroy Margaret Leroy studied music and then later worked in Psychiatry and child protection before writing full-time. She

The Soldier's Wife is set during WWII on the island of Guernsey. With a German occupation being imminent, Vivienne has made the difficult decision to leave the island with her two daughters, leaving her mother-in-law, who is suffering from the early stages of dementia, with friends. When their only option is a small, crammed boat, Vivienne changes her mind, much to her older daughter's

The Soldiers Wife By Margaret Leroy - Discussion Questions

PBR Book Review: There is a strong sense of time and place in this beautifully written book. It takes place during WWII on the island of Guernsey and vividly shows the effects of German occupation on the day-to-day life of those who remained.

The Collaborator: Margaret Leroy (author): 9780778304593 ...

I had already read The Soldier's Wife and ordered The Collaborator thinking it was a different book. Other than that, I would highly recommend this book, as well as any others she has written. Other than that, I would highly recommend this book, as well as any others she has written.
