The Walls of the Universe (Universe, #1) by Paul Melko Paul Melko's The Walls of the Universe is an engaging inter-dimensional space romp. Evoking Heinlein's teen novels, Melko finds a way to re-introduce an old science fiction plot and make it fun again. It's the characters, situations and story that are the key. His winning recipe includes mixing together physics, engineering, chicanery, toy design, time travel and violence. His imaginative idea - what happens if someone offers you a way to travel to a different universe. Why would you?
