Tough Boris by Mem Fox and Kathryn Brown Slap Happy Larry

Tough Boris is also a story for older kids, but *that* story is told through the pictures, and that story is more complex and more suspenseful than the story told in words. The story in the pictures is the one that my eight year old niece was tuned in to. Where the two stories, merge, though, is in the end, and that ending is appropriate to both the word story and the picture story.

Tough Boris book by Mem Fox Thriftbooks

Tough Boris is a book I would recommend reading to children. The writer and illustrator do a good job working together and portraying how Tough Boris is tough but not heartless. This book would also teaches a good lesson to the readers, that is not all people that look tough, fearless, scary, and greedy are heartless.
