Tracks by Diane Lee Wilson - Goodreads

Diane Lee Wilson writes that honesty can make for uncomfortable reading. Tracks is a coming-of-age story that juxtaposes two immigrant groups at an interesting time in American history, a time characterized by anti-immigration laws and migrant-worker exploitation.

Diane Lee Wilson's meticulous research and elegant prose make the story of Malachy and the challenges he faces a compelling read. She doesn't shy away from difficult subjects, including the insults that the Chinese men endure, the tensions between the workers and Malachy's struggles to find his moral compass.

Diane Lee Wilson is the author of a favorite book of mine, *I Rode a Horse of Milk White Jade*, which is set in 14th century Mongolia. While Wilson's books usually feature strong girl characters and horses, *Tracks* and her book *Black Storm Comin'*, which is about the Pony Express and set in pre-Civil War California, both feature boys - and horses.
