Rowan Williams gives Christians a template for evaluating church history, and by extension all history. His nuanced reading of diverse theologians and historians from Protestant, Catholic, and Orthodox perspectives strikes me as quintessentially Anglican. He carefully guides us to a middle way between rejecting the past as archaic, primitive, and ignorant on the one hand, and the opposite

Why Study the Past The Quest for the Historical Church

Much of what passed once for Church history was propagandist; and much of the best now written is brilliantly done but apparently detached from the Church's present needs. We need a theological approach to Church history but not one that is just partisan. In seeking to explore this need, Rowan Williams offers some reflection on how we think about the past in general a complex issue in

Why Study the Past The Quest for the Historical Church

The Quest for the Historical Church consists of four chapters, each one corresponding to a lecture given in May 2003 at Salisbury Cathedral in Salisbury, England. The lectures were revised and expanded before publication in 2005. On the surface, the book looks like another academic work that Williams could write in his sleep; whether you agree or disagree with him on any given issue, his

Why Study the Past The Quest for the Historical Church

As he reflects on how we consider the past in general, Williams suggests that how we consider church history in particular remains important not so much for winning arguments as for clarifying who we are as time-bound human beings. Good history is a moral affair, he advises, because it opens up a point of reference that is distinct from us yet not wholly alien. The past can then enable us to think with more varied and resourceful analogies about our identity in the often confusing present.

Why Study the Past The Quest for the Historical Church

Why should we study the past? What is church history good for? In this thoughtful volume, respected theologian and churchman Rowan Williams opens up a theological vision of history, making it relevant to the church today.

A review Rowan Williams Why study the past Webstory

Rowan Williams, Why study the past ? The quest for the historical church (London, Darton, Longman & Todd, 2005) [This review appeared in the Bulletin of the Christianity and History Forum some years back, but has not been available online before now; and re-reading both it and the book itself suggests that it might usefully be made available now.

Why Study the Past Rowan Williams Eerdmans

From the first chapter: "Good historical writing constructs our sense of who we are by a real engagement with the strangeness of the past. . . . Bad history is any kind of narrative that refuses this difficulty and enlargement -- whether by giving us a version of the past that is just the present in fancy dress or by dismissing the past as a
