Winter's Heart (Wheel of Time, #9) by Robert Jordan
Winter's Heart is the 9th book in The Wheel of Time. I really enjoyed this. As before, some storylines are left hanging and previously-hanging storylines are picked back up, but I enjoyed all the storylines we were given. I especially enjoyed the end. There's usually some sort of major climatic battle near the end of each book that I find moderately interesting, but I liked the end of this.
